對方是老師的話、
BECAUSE HE'S A TEACHER, IT REQUIRES EXTRA COURAGE!!

So, this marks the final project that we had initially set an ourselves to take♥
It was also the longest chapter that I've had to edit ^u^;;

Apparently I was a bit too threatening in our last recruitment page,
so I'm setting out to make amends♥ (Look at all the hearts I'm sending you♥)

We are still recruiting for the following positions: Japanese or Chinese to English translators, cleaners, typesetters and editors. For details on our projects, as well as on how to apply, please visit papermoonwosagashite.tumblr.com o(^u^)o

We really are in desperate need of these positions, especially for Hoazuki No Reitetsu. Even thoughwe have a brilliant team working on it, the fact of the matter is that we're lagging by roughly 110 chapters, and there is simply no way we can catch up to that any time soon.

Last but not least, please do come over to our blog even if you just wanna look around♥
~~We've worked hella hard on the theme and we need people to praise us~~
You can download each chapter from our blog as well ^^
They're up there slightly earlier than batoto, since it takes some time to approve each chapter.
But if you do want to simply read online, Batoto is the place for that ♥
